You'll need: Your own LEGOS & a Bible

Read the Scripture.

Jesus Walks on Water: Matthew 14:22-36; Mark 6:45-56; John 6:16-24

This story is in the New Testament.

This story is written by Matthew, Mark, and John.

The main characters are Jesus, disciples, and God.

This story takes place in today's world in the Sea of Galilee.

Say a Prayer:

"Lift us up, O God, and make us strong. Encourage us when we doubt, and help us up when we fall. Remind us that if we keep our eyes on you, we will know more peace. Amen."

Use Wondering Questions to prompt discussion.

Choose one or more:

II wonder where you go to pray?

I wonder if you have ever been on rough seas?

I wonder what you like to do when you are alone?

I wonder if you trust God?

I wonder how you like to worship God?

Ask your child to build a scene from the story.

Whatever they want. Prompts (ONLY IF NEEDED):

boat, Jesus, disciples, Peter, water, rough waves, God

Have them explain what they built.

This helps them retell the story and remember it.

Take a picture of your child with their creation!

Then email it to me to be entered in a weekly raffle drawing! Email: **kschafer@fpcraleigh.org**
