You'll need: Your own LEGOS & a Bible

Read the Scripture.

Parting of the Red Sea and Songs of Joy, Exodus 13:17-15:21

This story is in the Old Testament.

This story is written by Moses and other authors.

The main characters are Moses, Aaron, Miriam, Israelites, Pharoah, Egyptians, and God.

This story takes place after the first Passover, before God provided manna and quail.

Take a picture of your child with their creation!

Then email it to me to be entered in a weekly raffle drawing! Email:

Say a Prayer:

"Dear God, Just as you parted the waters for the Hebrew people, we trust you can perform miracles even today. Remind us to look for the goodness of your grace, and help to expect wonderful things. Teach us to trust in your power and love. Let us rejoice in you each day. Amen"

Use Wondering Questions to prompt discussion.

Choose one or more:

I wonder why it is called the Red Sea?

I wonder if you have ever seen God in a cloud? In fire?

I wonder if you have ever been really afraid?

I wonder if you have ever changed your mind about something important?

I wonder if you have ever cried out for God?

Ask your child to build a scene from the story.

Whatever they want. Prompts (ONLY IF NEEDED):

pillar of fire, pillar of cloud, Moses, Pharoah, Pharoah's army, parted water, Joseph's bones, chariots

Have them explain what they built.

This helps them retell the story and remember it.

The Raffle:

All kids that send in a photo will be entered into a weekly raffle. One person each week will win a prize that will be mailed to your home!
